DDI NOTICE  
No. 50-100-53

DDI N 50-100-53  
20 April 1966

# APPOINTMENT OF DDI REGIONAL CONTACT OFFICERS

1. This notice establishes a system of Regional Contact Officers to provide official and authoritative focal points for substantive coordination in the Directorate of Intelligence. The system is intended primarily to provide intelligence support to the Chiefs of the DDP Area Divisions, who have been appointed the CIA representatives on the Interdepartmental Regional Groups (IRGs). In addition, it is proposed to use the system to facilitate inter-Directorate and inter-Agency coordination on substantive matters related to national security policy formulation.

2. The DDI Regional Contact Officers will also assume the functions previously carried out by the Senior Intelligence Support Officers (SISOs). The SISO system is now disbanded. These functions include responsibility for substantive coordination within the Agency or Directorate, as appropriate, of intelligence support matters arising in connection with the following accounts:

a. National Policy papers prepared under supervision of the Policy Planning Council of the Department of State.

b. Ad hoc working groups functioning under the supervision of the Interdepartmental Regional Groups.

c. Support to the CIA Member of the Inter-Agency Contingency Coordinating Committee.

3. The following DDI officers are designated as contact points for assisting the appropriate DDP Area Division Chiefs in obtaining DDI substantive coordination and support on IRG matters:
